

The new year has begun with great energy and purpose! The recently concluded Torino 2025 FISU World University Games Winter dazzled us with stunning displays of winter sports — from precision on ice to elegance on snow. This edition of the newsletter highlights the following key updates: insights from the FISU Executive Committee meeting in Torino, the launch of the second 2027UniCrew supporters, progress on the first FISU Games village in Sejong, an expert lecture on creative promotion, and the new year's kickoff ceremony for the Chungcheong 2027 FISU World
